## **Co-financing commitment letter from Norad regarding the LINK project in Mozambique**

Dear Madam/Sir,

This is to confirm that Norad approves the use of part of the funds assigned to Mozambique under the Framework Agreement 2024-2028 (QZA-23/0199) between Norad and Save the Children Norway, as co-financing to the project "LINK-Building Climate resilience by linking climate adaptation and social protection through decentralized planning", presented to the Green Climate Fund (GCF). An amount of 12,850,190 NOK (Approximately USD 1,171,271) will be utilised as co-financing. This amount will be committed upon the signing of the Framework Agreement 2024-2028, which is expected in the coming weeks.

Yours sincerely,

  
Lisa Sivertsen

Director

Department of Human Development

Norad
