Re: The Knight Family Foundation co-financing commitment letter for
Scaling up Climate Resilience Solutions for Burundian Smallholders in
Burundi

Dear Madam/Sir,

I am writing to you to express our commitment to support *Scaling up
Climate Resilience Solutions for Burundian Smallholders in Burundi* that
was proposed to the Green Climate Fund (GCF) for match funding.

This is to confirm the grant contribution of the Knight Family Foundation to
co-finance the project, should the proposal be approved by GCF, with a
total value of \$1 million USD with the funding schedule to be determined.

Sincerely yours,

Sol Flores
Chief Executive Officer
Knight Family Foundation
