

Project Preparation Facility (PPF)

Division of Country Programming

15 March 2022

Project Preparation Facility

What?

- To support the preparation of a full Funding Proposal for a project or a programme from a Concept Note

Who?

- **All accredited entities (AEs)**, especially direct access entities, can request support from the PPF

Funding cap?

- Each application will be subject to a cap of **USD 1.5 million**

In what form?

- PPF can be in the form of **grant, repayable grant and equity**

Timeline?

- Proposals developed with PPF should be submitted within **two years** after the PPF approval

PPF delivery modalities

PPF Funding

PPF Service

Features

Standard PPF Funding allows AEs

to receive up to

USD 1.5 million

whereas Simplified PPF Funding

supports up to

USD 300,000

in the form of grants, repayable grants, and equity.

One project development firm, which will work directly with AEs, will be selected from a roster of independent project development firms administered by GCF.

Details can be found from PPF guidelines. Available in English, French, Spanish and Arabic.

The screenshot shows the Green Climate Fund (GCF) website page for the Project Preparation Facility (PPF). The browser address bar displays "greencimate.fund/projects/ppf". The page features a navigation menu with links for "ABOUT GCF", "PROJECTS & PROGRAMMES", "NEWS & EVENTS", "PUBLICATIONS & DOCUMENTS", and "GCF BOARD". The main heading is "Project Preparation Facility" with the subtitle "Helping Accredited Entities develop their climate ambitions into climate solutions". A green navigation bar contains tabs for "OVERVIEW", "PROCESS", "DOCUMENTS", and "PPF SERVICE". The "OVERVIEW" tab is selected, showing a section titled "Overview of the Project Preparation Facility". The text explains that GCF recognizes capacity constraints in developing countries and provides financial and technical assistance through the PPF. It details funding availability (up to USD 1.5 million) and support modalities (PPF funding and PPF service). A "SHARE" section includes social media icons for Facebook, Twitter, LinkedIn, and YouTube. A "RELATED" section links to "Contact GCF Project Preparation Facility".
